“I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.”
(Maya Angelou)

*Uncle Johnny always brought love and laughter wherever he went. I have very fond memories of my favorite uncle, and I know that he is truly missed by all that love him. I know that the Angels are singing at the reunion of Uncle Johnny with his Mom, Dad, sisters and brothers, one being my dad Carmelo.
Our prayers are with you Kitty.*

“ Uncle Johnny will always hold a special place in my heart. Not too many nieces get duck eggs for Easter and a yellow lab from their uncle. I've been blessed to have three special uncles, and he being one of them, of course. He left a lot of special memories that will keep him alive in our hearts and he'll be missed.
