“ John was such a staple to our lake community. Known and cherished by many, not only for the services he provided to the masses, but the ornery quick wit and sheepish smile he would give while looking out of the top of those reading glasses. He helped many of us out of a pinch, albeit we may have had to endure a furrowed brow or two, but in the end he was there. Nothing a 12 pack of Corona and a couple of shared stories couldn't smooth over.

We're going to miss those impromptu beers, crazy golf cart adventures, shop gatherings and just the casual wave while passing him on the road.

We mourn with you, Liz, Alan and family. He is missed dearly.

“ My husband and I are deeply saddened to hear of John's passing. We moved to Missouri almost 4 years ago and upon buying our home met him and bought our mower through him. When my husband and I married, it was John that performed the ceremony. What a precious memory of him. Our hearts go out to his family during this very difficult time. May God comfort you.
