“ *The Miller's have been friends of the Alfred and Jeannien Erickson Family for over 30 years. They were always kind to my parents who owned the Palm Harbour Estates in Tucson Arizona. May God grant them their reward for their kindness.*

One of my favorite songs that I sing at Church speaks of God's creation, the heavens telling the Glory of God and creation shouting for joy. The final verse speaks of our coming home; "Praise for our death that makes our life real, the knowledge of loss that helps us to feel the gift of Yourself, Your presence revealed to lead us home." May God our creator bless you with peace in this most difficult time.
