“ I worked with John at Coca Cola Dr Pepper several years ago. John always had a smile for everyone and a kind word. I remember how much he loved fishing and hunting. Such a shame that he was taken from you all at such a young age. May the Lord be with you and help you remember his smile and the wonderful times I am sure you all shared with him. Bless you all. “ Phil and Carol, Our thoughts and prayers are with you. John Michael will forever be 11 years old and doing a demonstration of making lead weights in fifth grade. He assembled all of the equipment and brought it to school to teach our class of 36 about making lead fishing weights. He even melted down the lead. Thoughts of your entire family always bring warm feelings to our hearts.

“ I worked with John at Coca-Cola and he was a great guy. If you ever needed a friend or someone to talk to John was there. He was a lot of fun to be around and really enjoyed life. He loved his friends, his job, and hunting! If John wasn't talking about work he was talking about hunting! I hadn't spoken to John in a while, but he sometimes did pass in my thoughts. They were always funny good memories.

I am very sorry for your loss and wish you the best. John was liked by all and loved by many. Take care and God Bless.

“ Dear Phil and Carol,

Our hearts go out to you and Carol in the loss of John. His smile was contagious. Many years ago our son Jerry, first met John and played, just beyond the barn, with the horse. As an Indiana kid, Jerry loved meeting his not too distant cousin and often talked of the fun he had with John. You and your family are in our thoughts and prayers.
