“ *John & my father, Earl Plank, shared a room at CMHCF for a while. I had always hoped to meet a member of his family when you visited, but that did not work out. I only knew John a short time, but he was a special guy. We got him to play cards with us and even though his "high" and "low" cards and some rules were different from how my dad played, we had fun. He always had a smile for me when I said "hi".*
