“ *Light A Candle J
light a candle,see it glow,
watch it dance,when you feel low,
think of me,think of light,
I'll always be here,
day or night,a candle flickers,
out of sight,but in your heart,
I still burn bright,think not of sadness,that I'm not near,
think of gladness,and joyous cheer,I have not left,I am not gone,I'm
here to stay
,so when you light a candle and you see it glow and you watch it
dance in your heart you'll know
that I would never leave you
even when you feel so blue
I'm sitting up here with the Lord
and now watching over you*

Love you steff and God Bless you and your family

“ *Dear Steff and family
I first met Johnny on pogo where I played bowling with him and steff,
that was about 5 yrs ago, since then we became close friends so
much so we had talked about meeting in person later this year, steff
if we can still manage to get over we will.
In all our games i only ever won a couple of games as johnny was
to good for me, except when we played in tournament where i beat
him (he let me win. If there is any consolation in what has happened
then it is here for all to see in the responses you have had, Johnny
touched so many hearts and will remain there.
Our thoughts and prayers are with you all and will remain so.
Johnny my dear friend we will meet so until that day rest in peace
love you always
