“ My mom is the **GREATEST** person I know. She loved with a heart so big it's a wonder it fit in her chest....She was my mom but best of all she was my best friend...She loved to laugh and sing...and the best thing she loved to do was hug you and kiss your face. She made the best fried chicken in the world...If you came to her home and were hungry you ate till you could pop...nobody ever left her home hungry or cold....I miss her so very much, but I know she is happy and with GOD and my dad and all that went before her...I will see her again one day but until then there is a large hole in my heart....love you mom...tell daddy I said HI...

“ *Nana I can't imagine my days to come without you. I sure do miss you arguing with all the kids but the one thing most I miss is you singing to all of your songs you would listen to and making sure you got up to give us a hug and a kiss when we walked in the house. May you be with grandpa and be happy again
Love you Nana
