Juanita M. Brown, 86, of Humansville, Missouri went home to be with the Lord on Tuesday, July 26th.

Juanita was born in Kansas City, Kansas to Albert Gallipeau and Dorthea Maurer Gallipeau. She worked for Union Pacific Rail Road along with her Father and several of her 10 siblings. In 1945 she married the love of her life, Byron L. Brown of Kansas City. She and Byron soon started their own family as she traveled the country, reaching as far as Greenland, in her 20 years as a devoted Military spouse. Juanita enjoyed flowers, painting, Willie Nelson, and John Wayne. She spent all the years of her life loving and caring for her family. No matter where you were in life there was always a loving heart, an attentive ear, a hot plate of food, and a warm bed at Juanita's home. She was the kind of person that touched your very soul and she will always be loved and deeply missed by her family and all that had the privilege of knowing her.
