“ Where to begin.....this friendship goes back to 1960s .....going to Judy and Darrols wedding, they were in my first wedding, we went to baseball games, basketball games, played golf , rode bikes together thru the square and collided a few times ,laughing all the way to bandage ourselves! Hung out at Sadie’s .....pizza nights after SWBU games. They love their children and so excited when they knew they were going to be parents. They were there for both my folks burial and Darrol carried both folks caskets to the grave. I miss his laugh ,his big smile and hugs. I will miss Judy’s love,and tenderness , perfect mate for Darrol. Now they reside in the arms of our Lord. Rest in peace you love birds. We are better people for having the honor of calling you “ friends” ❤️🙏 Leah Jean
