“ *Dear Ronnie & Sandra - Words can't describe how I felt when I found out that Judy has passed away, I know that nothing anyone can say will make it easier but my thoughts are with you. She will certainly be missed by everyone she ever came in contact with. You are in my thoughts and prayers.*

“ *I am sure you know Judy will be missed so much. She was a great friend to me. I work at FedEx Freight and she and I would talk almost every day. It's not going to be the same with out her.*

“ Dear Ronnie, Sandy, Damon, & Tevis, Here is a quote we had for my mom's funeral, and it really is so true, I hope it helps you like it helped me. God saw you were getting tired, and a cure was not to be, so He put His arms around you, and whispered, "Come with Me." With tearful eyes we watched you suffer, and watched you fade away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands were put to rest, God broke our hearts to prove to us, He only takes the best. Love, Susie Cole

“ Dear Ronnie, Sandy, Damon, & Tevis, We are so sorry to hear about Judy. We can only imagine the tremendous pain you are going through. Judy was such a "Special" Lady, with kind words for everyone. She had no enemies, only loyal friends. It's times like this I wish we didn't live so far away. I would give all of you hugs for there are not enough words to make the pain easier. Only with God's grace and time will the pain will lessen. Treasure all of the memories and keep them alive. You know Judy is in Heaven running, jumping and skipping with Trevor, and at last, no more pain. God has another angel to watch over you, and what a celebration in Heaven they are having. Our thoughts and prayers go out to all of you, and if there were something we could do, please know it would be done in a heartbeat. With much love, Susie & Rich Cole
