“ I had the privilege of knowing Karen for many years as her nurse. She was always a ray of sunshine when she would come in and we would get caught up on life's events(grandchildren especially). I had not got to visit with her in awhile as I changed jobs, but I did get to visit with her when I gave her and Steve their flu shots this year. Once again she was very cheerful and greeted me with a hug. she will be sadly missed and heart felt prayers goes out to her family.
