PS

“ My sympathy goes out to Kirk and the rest of the family. I know it is not easy with aging parents and being an only child, Kirk. I guess I have known Karleen most all of her life and her sublings much of their lives. I have such fond memories of Karleen as a cute little girl following her daddy around. Many times she came with him to the Rondo Store. There wasn't anything Karleen wouldn't do for someone. And she was always a contributor to the Rondo flower fund that my Mom first started with a jar in the store when someone had passed away, and then some flowers bought for the services. This custom has got passed around since Christena is no longer with us and continues to this day. Rondo won't be quite the same without Karleen2F.
