“ *Kathy and Terri, I was so sorry to hear of the passing of your Dad. I had known him about as long as anyone that I can recall. As a young boy growing up, there were few times I was in Bolivar that we didn't need to make a stop at the mill, sometimes multiple stops in one day. Your Dad was always so kind to me and for as long as I can recall treated me with respect. For the last several years I would see him at the Veterans Home during the Christmas season. We always enjoyed visiting about days gone by. Please know that you both and your families are in my thoughts and prayers.*
