“ *Kelly was my world. I loved her with every ounce of my heart and soul. She was an incredible mother to Marcus and Logan. I cannot begin to express the emptiness that i feel without her. The day Kelly and I were married was actually a very dreary, cold, and snowy day but yet it was still the most beautiful day because I got to marry my best friend and soul mate. As she walked down the aisle that day it was like watching an angel gliding towards me. She took my breath away with her unmatched beauty that radiated out from her. I will never forget the way she looked at me that day as we said I do. We both knew that our love was forever and nothing would or could ever come between us. I will continue to love and honor you baby until the day I pass on and we are together again. I love you*

“ *When our mom was pregnant with Kelly, her dr said we were having a boy. So when she was born we got a little sister. Kelly has always been spunky, smart, sassy but has a love like no other. When she met Stan they were unstoppable. They loved each other with a passion that has stood the test of time. She loved her boys with her whole heart and was very proud of them. She was so excited to have a daughter when Marcus got married. Kelly I love you and will always strive to love more like you. I miss you sis!*
