My deepest sympathy goes out to Kenny's family. I was shocked to hear of his passing. I have many, many great memories with Kenny. I served with Kenny in many veterans funerals with the Honor Guard. He was very devoted to the veterans. I remember the last funeral with Kenny, and he told me he didn't think he could do them anymore, and i believe it broke his heart to do so. Godspeed my friend and brother, I hear they have great Wild Turkey up there.
