“ *I consider myself fortunate to have known Ken as a customer at the Pit Stop / Cases Corner convenience store in Brighton. I also knew him from my time on city council in Morrisville. Ken was a wonderful man, very thoughtful and always there with a kind word and that huge smile that made you wonder what he was hiding. I am truly going to miss him as someone I came to know as a true friend.*

“*I worked with Ken at Lady Baltimore. Then i had the pleasure of visiting with Ken at the auto auction every thursday. I could always depend on Ken to slip up behind me and honk the horn to see if i would jump and how high. He was always smiling or joking some where. He will be dearly missed. His family will be in my prayers*

“ Dear Connie & Cindy,
I have many good memories of your dad throughout the years of growing up next door to you, and then spending time at your home during college. He was always grilling the best meat. He cooked the only rabbit I have ever eaten. I remember him as fun loving and happy. He was always a hard worker and high achiever in his job.

I pray that God will comfort you all as only He can during this time of loss.
