“ I I remember how Kyle was into doing some wood working and bought a few cordless tools and how he couldn't wait to use them. He ended up building some neat stuff. He was always in a good mood when ever I was around him. Just a really great person to know and talk with. Gonna miss ya!! However, I plan to see you again someday in a much better environment.

“ Kyle and our son Chance graduated together. They both played football and ran track. They were a pair to be dealt with on the track. They were fast! After graduation they both moved to Bolivar to college at SBU. I remember the day we moved them in, both families working together building bunks in the dorm. Kyle was one of a kind. The Gilliland's loved him. He will be sorely missed.
