“ *Greetings from Dieter Harle and our sincere Sympathy to the passing of Larry. We met many times in the "good old Wayne Feed Days". He also shared a recruit with us - Bob Vedder - who connected us with the State of Missouri. Larry will always be remembered for his sincere effort to attempt to understand the sometime confusing farm problems. He listened extremely well and in his professional manner offered sound advice.*

Sincerely,

Dieter and Katy Harle

“ *I will never forget my neighbor in Bolivar. Arleen, Mike, Marc, and amber y'all are in my prayers. As Christians we do grieve but not like those without the expectation that we will see our love one again. May the peace and comfort of God be upon you now and forever. Blessings,*
