“ *Larry and I spent lots of hours together traveling all over US retrieving broken down and wrecked trucks. And then at our shop near Halfway. I know of many incidents where he helped many employees at Trailiner and all he expected in return was a honest day's work. Always said at the end of a phone call "if you need anything just call me". Condolences to Dena and family.*

“ *Larry was a one of a kind person. He was one heck of a negotiator and great hunting friend to me and my family. We had several great hunting trips together. We knew each other for over 40 years. My family and I are really going to miss him.*

“ I worked at Trailiner all of those 40 years with Larry. I remember the softball teams and the company picnics from years and years ago. His birthday was 6 weeks before mine, we were born in the same year. Always used to tease him about being older than me. He is missed. Prayers for peace and comfort to Dena and the family.
