“ My deepest condolences to Rob and the entire Harris family. Words can't express the impact "Mom Harris" had in my life. The Harris family embraced me during a time of sorrow over 10 years ago and a lasting relationship had begun. While I had the honor of visiting her a few times in Oklahoma & Missouri, we didn't let distance keep us from staying in touch. I will always cherish the memories, lunches at the Braun's in Oklahoma and the zip lining with her grand kids as she watched from the house.

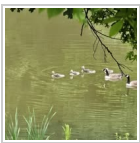

Rest in peace, Laura. Give Paul a big hug for me up there.

“ Our Aunt was a special lady and we all have good memories of our times at her house at Lake Keystone. She grew great tomatoes and had great 4th of July parties, we will never forget. Many will miss her and that wonderful laugh. Our best wishes to all the family. We loved her too. Niece Gwen, great nephew, Tark and nephew by marriage, Tony. We are the Johnston Family.
