“ *Laura and I worked at CMHCF up until the time I transferred to another nursing home. When we met we became fast friends and never looked back. As our lives progressed and we went our separate ways we always remained friends. I'm honored to say that and was one of only 3 people that I consider close friends. I'll never forget the last time we talked, and it was in a PM, it was 3 days before her passing away. ThT PM will never be erased off of my phone. I love and will miss, Laura with all my aching heart. Maria and Mom I know she enjoyed every minute she could spend with both of you. Please, keep it in your hearts that she loved you as much as you loved her. I just wish that I could talk, laugh, and eat Burger King with her one last time! 💔😞💔😞💔*
