“ I always idolized her mom Lori and Aunt Leadra..I remember when Lori was expecting Lauren and the day I met her she looked like a beautiful brown love bug! When we moved back to Bolivar my son Gage and Olivia were in class together and I needed a sitter for after school...Lauren begged me to keep him, and would never charge me ❤️ She was not only beautiful on the outside but on the inside as well! She loved it when I told her stories about her mom and I 😊 God sure gained a beautiful Angel one that we will all miss here on earth..I can't imagine how pretty she must look in her Godly body❤️ Until we meet again Lauren!
