“ I remember that Leonard modeled the walk of faith with passion and helped others in their walk. I remember that he was a good husband, father, and provider. I remember how good he and Shirley were to me and that they treated me like a daughter. I will remember him fondly, especially when I'm eating home-grown tomatoes smothered in gravy. What a great man who pointed us all to Jesus. Wish I could have been there yesterday.

“ My family and I have been friends with Leonard and his family since the mid 1960's and it has been a privilege and a Blessing to have known him. He has been such a GODLY man through his walk with the LORD. He was always willing to reach out and lead people to the LORD in prayer. The last time I saw him at church, he came from the other of the auditorium to speak and shake hands with me.

“ My memories of Leonard Mauck: The first time i remember seeing Leonard was in Church Services at the First Assembly of GOD in Bolivar, MO. What impressed me the most about this GODLY gentleman was: Inspite of the large growths on his arms and hands, he never failed to raise them in Praise and Worship to GOD in the Worship Services. And even though he was in failing health the last time I saw him there, he still raised his arms and hands in worship to GOD. He always had a smile and a kind word for everyone. To me he was a real example of a Christian and a gentleman. Lucille Lightfoot

**TOUCHED THE CROSS TO TOUCH THE WORLD**

*To all that read or hear these words give ear and take heart, because of health reason I am unable to be with you at this memorial service. As a young person I lost my earthly father (Jess Martin) in the winter of 1968. In the winter of 1969 Leonard walked with me to the Alter at the Pentecostal Church of God in Bolivar, Missouri and prayed the sinners pray with me introducing me to my Heavenly Father at the foot of the Cross. When I left the Alter that day I meet my Heavenly Father but was also given a surrogate earthly father, Leonard.*

*Leonard taught me character, how to present the Gospel, love people and care for them. I have taken those lessons of life to the hamlets, huts, Foreign Dignitaries of Asia and even the to President of the United States of America. Here me friends the World was touched by this man though each of our lives. Leonard is with the Lord he will be missed, but not for long I read just around the corner there is about to be a Homecoming for all of us.*
