“ *The format said to share sympathies, condolences and memories. My sympathies definitely are sent to your family from mine. We lost our dad Aug. of 2007. So hard to let them go. Maybe one of my all time favorites was hearing Les's part singing, "Leaning On The Everlasting Arms"). Who lived the Argentine Baptist experience and doesn't remember "singspiration"? God bless you folks and thanks for the blessing that your family has meant in my life and my family's.*
