

Lester Baker

November 23, 1966 - June 24, 2021

Lester Earl Baker was born on November 23, 1966, to the late Floyd Baker Sr. and Willie Mae Mitchell in Wharton, Texas. Lester was loved by his seven brothers, Charles, Ivory, Larry, Dennis, Anthony, Bobbi, Pete and four sisters, Iva, Mary Ann, Fannie, and Mildred. His connection with Momma, his siblings, and his family cultivated his unique ability to bring people together.

Throughout his life, he showed endless compassion and an understanding that the bigger the family, the more love and blessed you are.

Lester stood out as a star athlete while attending Elementary, Middle, and High School in Needville, Texas. Lester went on to earn his Bachelor of Science in Psychology from Southwest Baptist University in 1990. A highlight of his life was playing football for the SBU Bearcats, where he made lifelong friends and set several program records. During his tenure at SBU, Lester earned the nickname "Shake-N-Bake" as a member of the SBU Football team from 1985-89. He was a team captain in 1987 and 1989. Lester's athletic accolades include being named to the Football Gazette All-American Second Team, MIAA Offensive Player of the Year, being inducted into SBU's Hall of Fame in 2009. In 2014, he was inducted into the Missouri Sports Hall of Fame's Elite 11 class. After his collegiate success, he thrived in his career coaching football for Bolivar High and working with youth in the school district. He loved cheering on his beloved Dallas Cowboys, Texas Longhorns, and the occasional Chiefs in his Man Cave with his friends.

Pinnacle to his lifetime of accomplishments is meeting and marrying the love

of his life, Tina Baker. On August 2, 2012, they were married along Sanibel Island in Florida and were looking forward to returning to celebrate their tenth anniversary. He was a devoted husband, her rock through several trials, and forever focused on her happiness in their life together. Lester's family was essential to his happiness in life. He always prioritized celebrating life's little and big moments with his children: daughters Ashli Baker and Dani Bennett and his sons Ashton and Aidyn Baker and Dom Bennett. He was so incredibly proud of their accomplishments and who they have grown up to be. He thoroughly enjoyed his most recent role becoming Papa Lester to adorable grandchildren Aria Baker, Abigail, and Noah Bennett. He is also blessed with two wonderful daughters-in-law Casey Bennett and Lex Shawbaker.

Lester's love language was barbeque, bringing his family and friends closer together. He expressed his love each time he fired up one of his pits. He never missed a chance to care for others by showcasing his patience and unmatched skill with charcoal, defining the term 'grill and chill.' He elevated weekends, evenings, and average Tuesdays with his barbecue.

Lester's dedication to being a Pitmaster is only matched by his devotion as a husband, father, grandfather, brother, son, and friend. On the morning of Thursday, June 24, 2021, he departed this life at home with his loving wife Tina by his side in Springfield, Mo. Lester was preceded in death by his Father, Floyd Baker, Sr., Step-Dad, Terrance Mitchell, sister, Mary Ann Murray, brothers, Bobbie Joe Baker and Charles Ketchum (Cedric Dubois Cinque) Maternal Grandparents: William and Alberta Paul, Paternal Grandmother: Delores Baker, Nieces: LaTonya Ketchum and Anjonique Ketchum, and Nephew: Denzel Thomas and several other family members. He is survived by many loving family members, most notably his Momma, Willie Mae Baker, and his wife, Tina Baker.

Until the next time we meet, Baker Baker One Nine.

“ *Lester was a wonderful athlete that gave SBU credence in the MIAA with his football abilities. But his heart and his smile was far more than his athletic abilities. His smile revealed a heart bigger than Texas and he shared that with his friends. As one of the founding coaches in SBU football's history, I believe we had no better representative than Lester to illustrate what the program was about. He truly was an inspiration.*

“ So many memories from softball to camping to barbecues but one of my all time favorites was when Lester and Stevie took our daughter Shae fishing one day she was around 4 years old and Lester took Shae with him on the other side of pond and he told Steve he knew why he let Shae go with him she sang to him, taught him his ABC'S and how to count in Spanish to 20 and she talked the entire time..she did catch a little perch and Lester told her she could keep it and brought it home, put it in her fish tank with her oscars and they ended up with a bad fungus and a really dirty yucky tank!
We miss you already, love you Lester Baker!

“ To my Baker family,

Your husband, your dad, your granddad, your friend was my brother. He was a man that you can be truly proud of and we all will miss dearly. May his works speak for him! My brother Lester (Beef) was loving, kind, generous and a man of god. I can't tell how much this saddens me and how much this hurts! May "GOD" give us all the strength and peace of understanding that we will need to get through this trying time. I love you "Beef" with all my heart and may you rest in peace with your be loveth brother "Rick Howard". GOD has prepared a special place for his angel. I love you! "Doc Howard"
