“ *I'll never forget the day ,her brother Paul,my husband , had been looking for his sister for so many years, and our oldest daughter Patricia and Sandie found Leta,his sister and other brother Jim ,right down in Weableu, Mo, and brother in Clinton. He was so excited to find both of them after so many years, it was such a great reunion, they showed our family so much love,and so many great memories, something I will never forget , and the years we got to spend time, with my Sister in-law Leta,and brother-in -law Bob , and their family,, we are so sorry for your loss, you all are in our hearts ,thoughts and prayers..*
