“ *Letha was such a joy to know! She always had a hug and a smile for everyone, and enjoyed each day of her life, right up to the end. Letha and I went to United Presbyterian Church together and had the most fun on our trips to church.*

I remember driving through the underpass beneath Interstate I-74 near Morton with Letha and my granddaughter one day. Letha said that if we honked the horn, it echoed loudly ... so we drove back and forth through the 'tunnel' honking the horn and laughing ourselves silly! Letha had so much fun with such little things like that, that her joy taught me not to fear aging!

“ *We did not know Letha that long, but in the time we did, she had a profound impact on our lives. She always had a smile to greet us and we enjoyed visiting with her. We will miss her a lot.*

Our sincerest sympathies to her family.

“ We are very sorry that our Aunt Letha is gone she was always a happy person and her hugs were special. She will be in a much better place.

A poem for Aunt Letha-

There's something in a simple hug

That's always warms the heart;

It welcomes us back home

And makes it easier to part.

A hug's a way to share the joy

And sad times we go through,

*Or just a way to share for friends
to say*

Hey I like cause your're you.

Hugs are meant for anyone

For whom we really care,

From your grandma to your aunt or to your neighbor,

Or a cuddly teddy bear,

A hug is an amazing thing-

It's just the perfect way

To show the love we're feeling

But can't find the words to say.

It's funny how a little hug

Makes everyone feel good;

In every place and language,

It's always understood.

And hugs don't need new equipment,

Special batteries or parts-

Just open up your arms

And open up your hearts.

“ My grandparents Homer and Dorothy Herron were friends with Mike and Letha. They had a lot of fun with them especially at CRC (Caterpillar Retirees Club). Mike and Letha came to several of our family gatherings.

“ I became acquainted with Letha in the late 1950's in Caterpillar building KK on 2nd shift. I said Letha was a great lady then and I am sure she remained that way until the end. I am very sorry to hear of her passing. May God Bless Letha and her family.

“ Aunt Letha was my father's sister. She appeared to observe life through a smile, yet kept a regal poise about her. I am sorry that I never lived in the same vicinity to spend quality time with her, but have fond memories of the many Nelson family reunions in Red Oak, Iowa.

“ Aunt Letha was a "Wonderful" Aunt she always had a smile for you, and was always upbeat. I have not seen her since she visited Alaska several years ago, but will always remember that visit. Know she will be "Happy" now with the rest of her "Family!"
