“ *School mates are those we saw every day and took for granted the security of their friendships. Linda was one of those. Every day we saw each other, said, "Hi," and walked on. Just knowing her, seeing her smile, and having Linda as part of our lives made each day better. Rest in peace now, sweet friend. You will be missed.*

“ Kevin, Mark and Robin and I'm so sorry for your loss, your mon was certainly an amazing lady, she was always there when someone needed her.

Shawn loved her like a second mom, there was nothing he wouldn't of done for her, and now they can talk about old times.
