“ *I loved working with Linda! She had such a big heart and always a story to tell of her daughter, husband, or one of her animals. I also hung out with her at track meets watching our daughters compete and also spent many Saturdays with her at the sale barn. We both loved our bunnies. I am so sad to hear of her passing and will miss her very much. I am glad my last present from her was my little Monte puppy for I will always have something to remind me of her.*

“ *I met Linda through her volunteer work at First Christian Church for Shepherd's Place Meal. Linda never had a cross word about anyone. She loved her daughter so very much and was so proud of her. Linda was so sweet. My husband and I were going through a rough patch and were separated during Valentine's Day. Linda took the time out of her day to bring me the sweetest little coffee mug flower arrangement so that I would have something on Valentine's Day! I got my beloved dog, Lulu, from a litter of Linda's dog's puppies. I cherish that dog. I am glad that I will have a forever reminder of Linda.*
