“ *My heart goes out to the family and I pray you find comfort. Remember the good times. "Mom" was a fun, outgoing person who will be missed by many that knew her....love to all the family.*

“ *Though words can't ease your sorrow, hearts can share your loss. May the love of those around you help you through the days ahead. Remembering you with special thoughts and prayers during this time. We pray the love of God enfolds you during your journey through grief. May the peace that comes from the memories of love shared, comfort you now and in the days ahead. Daddy loved her so much & he will miss her everyday for the rest of his life. May God Bless Each of you ~~*
