Lura Mae Ansbro, age 80 of Stockton, MO passed away at 11:02 PM Tuesday, January 13, 2009 at the Citizens Memorial Hospital in Bolivar after a lingering illness.

Mrs. Ansbro was born on January 14, 1928 in Caldwell, MO the daughter of William Henry Remagan and Bessie Louise Draffen Remagen.

We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories, your love is still our guide, and though we cannot see you, you are always by our side. Our family chain is broken and nothing seems the same, but as God calls us one by one, the chain will link again.

We will miss you mom. You were always there for us. Now were here for each

other.

Surviving is her husband Glenn J. Ansbro of the home, two sons, Richard White of Eldorado Springs, MO; and Donald White and wife Marion of Foristell, MO; three daughters, Patricia Thomas and husband Rodney of Stockton, MO; Sherry Corona of Eldorado Springs, MO; and Kathy Mitzel and husband Lee of Milica, MN. Also a brother, Walt Newton and wife Carolyn of Bolivar, MO and two step-sons, John Ansbro and wife Martha of the state of Colorado and Patrick Ansbro. 24 Grandchildren and numerous great and great-great grandchildren.

“ Mom I have so many fond memories of you. You made all of these very special times in my life. Even when we were miles apart, I know we were there, always in each others hearts. I remember Mom being a wonderful Mom, Strong, Independent, Having courage to do the things she wanted, Confident and wise. To bad I didn't always listen. I remember Mom always being patient, kind, loving and devoted to her family and friends. I remember her always somehow keeping us all connected and together, Somehow?, Even if at times it was only in our hearts. I know she loved each of her children the same, in our special individual ways and each of us was so special to her heart. Mom will be greatly missed by anyone who knew and loved her and will always remain in our hearts. So here is a special Thank=you, that comes straight from my heart. To a wonderful, beautiful Mom, Friend, and Person, that taught me so much. Above all you taught me that love is all that matters, and it's not the material things we have, it is who we are that counts. I only hope and pray that all of us will be able to pass along this wisdom to the generations to come. I trust that God will wrap Mom up in his love and ours and she will be Forever ours. I know in my heart Mom lives and that our Love is Forever. Till we meet again, Love your baby daughter, Kathy

“ Dear Grandma,

I would like you to know that I am sorry I couldn't come and see you before you had to leave. I will remember your laugh, it was one of a kind and still puts a smile on my face. I will miss sitting around the table listening to you and the "adults" talking about old times. You were always a loving and caring person and not to mention a strong independent woman that worked hard for the things she wanted in life. I always admired you for that and thought it was cool that you were hip and fashionable too.. I will miss you so much. I want to thank you for being a great role model for myself as well as the rest of the family.. You will be greatly missed.

*Love you,
Teresa*

P.S. I also want to thank you for introducing me to bagels and cream cheese..I am still eating them today!!!

“*"Dearly missed," and the "Pillar and Rock" of the family, that is Lura Ansbro. She was the guiding light in times of trouble, the one who would always listen and never criticise, or judge. She loved unconditionally.*

As young adults, she helped plan a budget, shared inexpensive recipes, counseled and supported us with sage advice. As Don, her last born, grew older she watched him become independent and successful. She was ever present in his life whether he lived near or far away. She supported him through good times and bad times and in the end, she was so proud of Don and the man he had become.

The credit is hers though. Through difficult times in her life, she taught him by example not to give up-to be persistent. She taught him life skills. She gave Don a legacy. A legacy he could hand down to his children.

We love you mom. We know you are under God's wing filled with joy, love and peace.
