“ *Mara and I had a multitude of great memories together, she was a very special person to me and will forever be missed. I cannot believe I am just now finding out she had passed almost ten years ago. And with great sadness I write these words.*

*She was by far one of my favorite people from highschool such a kind and intelligent person, she would grab rides from school to home from me during our junior and senior years and even asked me to prom, though I regrettably turn down due to me not being interested in such events at the time. She would joke with me about me need to listen to the black eyed peas and always greet me with a smile. In fact the last time I saw her was in 2006 after I had gotten a divorce and was visiting my great aunt in the nursing home that her grandmother also resided I before leaving Bolivar. It breaks my heart that I never saw her again and that she is no longer with us. I really wish I would have been more in touch with people and known so I could have been there for Tim and his father.*

*With a heavy heart I send my late condolences*

“ Mr. & Mrs Roedder: Our condolences on Mara’s passing she was a high achiever personally as well as professionally. We are sure she will be waiting for you on the other side. We remember the Waynesville worship services and fellowship following the service. Also remember Mara’s graduation from high school and her playing the piano following the reception. We know she will be missed by those who she came into contact with. May the Lord comfort you in these times. God Bless.

“ Roedder Family and Capt Thomas Hanson - sincerest and most heartfelt regrets to hear of Mara's passing. I only worked w/ her on the Air Staff for a short time but learned so much about life from her positive attitude and thirst for travel - and the angst that upright piano gave her :) We thank you for sharing Mara with us. “ I wanted to express my condolences to the family of my friend Mara. She and I went to school together in Bolivar (middle school) and then later at Mizzou doing Air Force ROTC together and commissioning together in 2004. She had moved out to the DC area where I work now a few years ago to get treatment and was medically retired at the Pentagon. My wife and I were fortunate to take her to dinner and spend time with her and her boyfriend. We were looking forward to more of that, but unfortunately that wasnt to be. We are deeply saddened to hear of her passing and we (my wife and I) will be praying for her boyfriend and her family as they go through this rough time. We miss her alot. Chris Stone, Capt, USAF
