“ We loved visiting with Margaret whenever we were fortunate to be in the same room as she. Her adventures back to her homeland were always filled with great memories and friendships rekindled. She had such a gentle sweet spirit and her words to us were filled with care and generosity. We will always think of her engaging smile when our thoughts bring us back together. Bolivar was blessed by her presense. God bless you Margaret! Ed and Karen Kurtz

Margaret was an okay xremely int resting woman. She was well-versed in my area, music, and we had some lively conversations about concerts we had both attended. She was classy, elegant and very sharp. You will be missed, dear lady. Ann Marie
