“ *We will all miss Margie very much and we have you all in our prayers. I myself did not get to spend as much time with Margie as I had wished. one of many of the memories I have had in the last two years was the Easter picnic and she was just full of energy and happiness. The float trip at Bennett Springs with her was the best time hearing her tell me stories of my mother and Gracie ,Margie and many others and the good times they had. We got to spend a few wonderful hours listening and could have spent many more and wish I had. May God be with Margie and enjoy her as we all have. P.H.*
