“ *My favorite memory of Earl & Jeri is the day they loaned me their car to drive home to Clinton from Eldo, because mine broke down while down there on business. Yes, they were my distant relatives, but their trust, generosity and friendship has been a guide to me all these years. I miss them both. They are in a better place!*

“ *Jeri wasn't my biological Grandma but she was Grandma to Me. She was a like a second Mom with a strong family history. I cherish her lifelong friendship/sisterhood with my mother Barbara Wyatt Nichols of almost 60 years. She was an important person to me and was loving to me. I send my heartfelt condolences to her family. With Love, Dana Leann Wyatt*
