“ On behalf of First Quality Enterprises ownership and employees fortunate enough to have worked with the Students in Free Enterprises (SIFE) organization, we join with you in your sense of loss and send our own thoughts and prayers to Marilyn's children, husband, family members, friends and associates. Her attention to detail, work ethic and sense of humor will long be remembered. Her personal impact on the goals of the organization and those who came in contact with her is a loss made even more acute by how suddenly it came. We wish all who knew Marilyn the grace needed to deal with this sad occasion and carry on as she would have wished.

“ Sherry,

Please know that I am thinking of you and your family during this time of sadness.

I can certainly relate to the unexpectedness of your sister's passing as I lost my son very unexpectedly last year. We will celebrate the 1 year anniversary of his death on August 4.

I try to console myself with the thought that he is in a better place and at peace. Hopefully, in time, you will think that of your sister as well.

I'll keep you in my thoughts and prayers.
