“ Don, Sheri, Donnie, Angie, Brian, Jason, and many more grandkids, great grandkids, and siblings So sorry for your loss, I am going to miss my beautiful cousin, but I know she is not in pain anymore. I remember all the long talks we had, I would stop by for a "minute" and end up visiting for at least an hour and will always treasure that. She would share memories with me about my dad and how crazy they both were....She will always hold a place in my heart and be missed by many. Prayers, hugs, and peace for all of you. Love you Vicky and family

“ Donnie and family
So sorry for your loss. Even though we have drifted apart these past years, we still carry many fond memories of those times when our families were young. I remember the first Christmas I was invited to Butlers for Christmas. Later I remember the special Christmas gifts ... Santa and Zodiac dish. Marilyn was a fun, lively, loving cousin, wife, mother, grandmother, friend. She will be missed.
