“ *I not only attended high school with Mark, but knew him during his UMKC years as well. I was shocked to hear of his passing, but not surprised at all by his courage. Mark Miller didn't back away from anything when he was right, and he was brave and true to the end.*

“ Bill and Family, My family moved to the Humansville area in the fall of 1968 and I began the 6th grade. Knowing Mark, it is not hard to believe that he is the 1st person who spoke to the newcomer. I to this day have a clear memory of him looking at me and asking, "you want to play softball with us?" I will never forget his friendly, happy, fun personality. Oh how he entertained us. Have not seen him a lot in the past few years, but always enjoyed our visits when we could get together, I will miss him. The loss of Mark Miller is hard to believe, I extend my sincere sympathy to you and your family. I do regret that I will be unable to attend the service. Sincerely, Doug Aasby
