“ *To Ed, Barry, Kelley and all of your families*

Martha was my "Special Friend" and I loved her dearly. I am so sad to hear of her departure from this earth and will miss her very much. Much more than I can express in this note. We were very close friends for a long time and she was like a sister to me. We had such good times together and I have such good memories of her and the times that we had. You have our deepest sympathy for your loss.

I am closing with tears in my eyes.
