“ *So sorry to hear about Maudie. As a neighbor I was very disappointed in not being notified of her passing. All the neighbors here in Stilwell took really good care of her and Lewis. We would run errands for them and take them to the Drs etc. She is now where she wanted to be after Lewis passed away. At least now they are together.*

“ *I have so many fond memories of my beautiful aunt Maudie. But my favorite is the story that she always told me every time that she saw me was how she always made me 1/2 birthday cakes when i was little. Our Birthdays are only a week apart so she always made sure I had a cake.*
