Tribute Wall

“ Mike loved coming over to the apartment to visit me and Dude. One day he came over for dinner, I was making my American version of enchiladas, I told him they were "Chrissy Chaladias". He loved them so much, he would call and ask Dude if I was coming them Chaladias all the time. And would remind us, call me next time there's gonna be more Chaladias. He was also so happy, quick with a joke, even when he was hurting. He is missed. We still talk about Mike so often.
