“ *I'm so heartbroken about your Mother's passing. She and my Mother were such good friends and I made it a point to go see her whenever my husband and I would go to Branson. Jerry and I loved her very much! But we know she's in a better place now. You're in our prayers. Jerry & Marianne Froeschner*

“ *mildred was always the life smiling like the sun shining everyday regardless of the issues at hand. She always made everyone happy and when an elder neighbor a retired school principal broke her leg and was recovering at home, mildred would walk across the st several times per day with a covered plate of homemade food, to make sure she ate well. this went on for months nad without a complaint she always took excellent care of her daycare kids to the lone teenager walking down the st, very inviting ,engaging and you could always know her advice was right! she loved God with all her heart and made everyone want to too. she will be sorely missed until the day we walk the streets of gold together! she always made you feel loved, appreciated and special, you always felt better on your way home from her house! Love You Mildred will see you soon. madeline*
