“ *Shirley and families,
We were sorry to hear of your mother's death. We didn't know until today and already have appointments we have to keep today so can't come to the funeral. We are thinking of you at this time and wish we could be there. Our Seiner family reunion is in two weeks and I was just thinking of your mother when we were making plans to come. Having happy memories helps so much along with family.*

“ Dear Family & Friends of Mildred,

I've known Mildred my entire life. She lived across the hall from my Mom, LaurNell (Blackburn) Strack @ Butterfield for several years. I'd visit with her when seeing Mom.

Later, when she moved to Parkview, I'd visit her there too & she always had a big smile on her face. I saw her in July when I came back for a short visit. Although her health was deteriorating, Mildred, still had her smile & hug for me.

You're all in my Prayers & Thoughts at this time. Until we meet again.....

*Love,
Helen Ann Strack*
