“ *We are sorry to hear of your loss. Aunt Mollie was a wonderful woman. It's bad when families are spread apart in different directions to keep in touch. We will be thinking of the family in this time of need. Love, Dennis & Cheryl*

“ We want to extend our sincere sympathy to all your family from ours here in Mich. I asked Ada to send this. Our thoughts go back to so many really special memories of your Mother she always had such a sparkle about her and I will always remember her doing that little jig she did so good, I can still picture that in my mind. Thank you all for the fond memories we know you will miss her greatly. Love to all your family sister Arlene and Eldon Hunsberger.

“ We extend our deepest sympathy to all your family with the passing of your Mother. Aunt Arlene called so I went on line and found this space. We are saddened by her death and want you to know we think of you often and all the really nice times we all had together when we were younger in South Dakota.
