

Nora Neal

March 10, 1917 - March 5, 2016

Nora Gladys Neal went to her heavenly home March 5, 2016.

She was born on March 10, 1917, in Halfway, Missouri to parents George Elby and Dollie Ellen (Bishop) Sullivan. Nora was immersed in a Christian community from the time she was young, and accepted Jesus Christ as her personal savior when she was only seven years old. She had what some would call a “simple faith.” She loved Jesus, sought to know him more throughout her life, and loved others more because of it. She remained a faithful servant of the Lord, and to cite one her favorite hymns, would say, “I will cling to the old rugged cross.”

Nora was blessed to have a large loving family. She married Charley (Chuck) Neal on August 27, 1937, in Bolivar, Missouri. Nora was a devoted mother, and has always had a passion to care for her family. Her family adored her, and she will be sorely missed by many. Her legacy is her family that were all brought closer together because of her love and compassion.

She is survived by her son, Charles; four siblings, Hazel, John L., Ernie, and Vernie; seven grandchildren, Dana, Kimberly, Eric, Russell, Cindy, Richard, and Ronald; and fourteen great-grandchildren.

She is preceded in death by her husband, in 1992; son, Bobby, in 1993; and

son, Orville, in 2004.

Funeral services will be held Saturday, March 12, 2016 at the Butler Funeral Home Chapel, in Bolivar, Missouri.

Burial will be at the Barnsdale Cemetery, in Fillmore, California, Friday, March 18, 2016.

“ *So very thankful I met Nora through her grand-daughter Cindy. We shared a lot of giggles and I will always remember her for always being so kind and sweet to me.*

May you find comfort knowing she is with our Lord And Savior!

My deepest sympathy to all of the Neal family,

I had only met Nora a couple times and those times she was a very sweet lady. Cindy I knew loved her grandmother very much through the way she talked about her and took care of her when she was here. Our thoughts and prayers are with the families.
