“ *Lori and family, I will so miss my dear Cousin Jeanne. I enjoyed visiting with her recently at the Nursing Home. I went to therapy with her and smiled when she told the Physical Therapist if she had her yellow car there she would bust out of this place. She was so proud of her yellow VW. I will miss getting a call from time to time from her. I had one on Thursday before we lost her. She ended the call with I love you.
Take care and God Bless you and your Family.*
