“ Aunt “ Babe” was never seen without a smile on her face. She was such a very pleasant lady that wanted everyone to be comfortable in her home. She loved to cook for people who came to visit and nearly always had fresh homemade sugar cookies in the cookie jar. Even in these last years when she lived in a nursing home she continued to have such a pleasant and joyful nature. She was such a delight to visit with even as her memory was failing.

*Norma was our good friend & neighbor for many years! She always showed so much interest in our family, any project I would be working on she always gave me something to help me with it. I loved setting at the bar in her kitchen & visiting with her. She took pride in the town & our community. She will be dearly missed by all that knew her. Neoma Stacy*

*My sincere condolences to Jeff and John and the family of Norma Pitts. On parent's day in grade school I watched Norma Pitts stand up and defend a poor, disabled boy in front of our entire class. She put into practice the commandment that whatever we do to the least of our brethren, we do unto Him. Heaven has gained what we have lost. Van Bruce Adams*
