I love this picture, too. The little blond is Shellie, a cousin. The tree might be a cherry tree. We sure had some great, happy times. Ted enjoyed life so much. (mom)

Ted was so proud of his children and grandchildren. He loved life and enjoyed so much.

Ted passed away, after a long and courageous battle with Alzheimer's disease.

The family is so grateful to the Hospice staff for the loving care of our strong, brave, Ted.

Ted enjoyed hiking in the Colorado mountains, fishing for king salmon in Alaska, living and hiking with his loving wife Kathy in Missouri. He will be missed dearly, forever.

Knowing he is at peace, brings the greatest comfort.

Glad I knew you, and shared part of your life. So long, dear friend.

“ Ted, as we all knew him was a wonderful person. He was so kind, gentle and soft spoken. He was always willing to help where needed. He was my brother-in-law for several years and remained a "brother" to me. We shared many jokes, talks, and fun events. He married one of my best friends. I always kidded him by saying " I just told you to meet her, not marry her". They were truly meant for each other. One complimented the other. The last time I visited Ted, he just wasn't the "teddy bear" that I knew, but I felt that somewhere in him, he knew who I was. May he rest in peace and know how much he was loved and will be missed.
Love you Teddy Bear,
Monica
