“ *I was sorry to hear of the death of your Dad. I have many fond memories of him related to Barren Creek Bible school and little league baseball.*

I was not a very good baseball player in those early years and he was always so kind and encouraging to me. I remember riding with him to Kansas City to see my first major league game!

I will be forever grateful for the influence that both of your parents had on me as a young boy.

Please know you are in our thoughts and prayers.

“ I fondly remember visiting often with the Copeland family in the early 70's. Jim & Jerry were/still good friends. Mike also graduated in their class. Olen & Bertha always welcomed us with open arms just like family. Many happy memories from those visits.

Mike & I will be out of town & unable to attend Olen's visitation/services. We are thinking of and Praying for all of you!!
