

Onis William Peebles

April 20, 1940 - September 3, 2023

Dr. Onis William Peebles, 83 of Elkland, Missouri, passed away on Sunday, September 3, 2023, at Cox South Hospital in Springfield, Missouri.

Onis was Born in Springfield, Missouri and grew up in the Willard area, where he attended High School.

Onis attended the University of Missouri in Columbia, where he graduated with his bachelor's degree. After completing his undergraduate studies, Onis was accepted into the University of Missouri School of Medicine, where he obtained his Doctor of Medicine.

After Medical School, He completed residency at Highland Hospital in Oakland, California, specializing in Psychiatry. After residency, Onis stayed in California and became the director of the adolescent program at Mendocino State Hospital until the facility closed in the 1970's.

Onis then attended Stanford University for specialty training before returning to practice Psychiatry in Chico, California, before returning to the Ukiah, California area. There his practice included work for the Mendocino County Court and for the Psychiatric Healthcare Facility in Ukiah until his retirement.

After retirement, Onis moved to Elkland, Missouri with his loving wife Carolyn.

Onis loved being outdoors, and spent his time in Missouri enjoying nature, observing the animals and walking through his land. He especially loved the many trees on his property, which provided habitat for many birds and other wildlife.

Onis is survived by his loving wife Carolyn Jeanne, 3 sisters, 3 nephews and several cousins.
